

ABOUT BOUNCE

Bounce creates 100% natural, delicious energy food. Originally founded in Australia, the company strives for great-tasting, clean nutrition by using high quality ingredients and leaving out nasties like artificial colours, flavours and preservatives. Based on the brand philosophy 'Eat Good, Feel Good, Do Good', Bounce aims to inspire people to live a full and vibrant life through great nutrition.

VARIETIES

COCONUT MACADAMIA PROTEIN ENERGY BALL

It's somehow hard to believe that something this tasty can be so good for you. A delicious combination of coconut, macadamias, cashews, organic agave syrup and whey protein, the Coconut Macadamia Protein Energy Ball is a great source of high-quality protein that's easily assimilated by the body. It's also high in fibre. The perfect snack!

- 9g protein
- Gluten free
- **Wheat free**
- GM free
- Nothing artificial
- 4g fibre
- Suitable for vegetarians

ALMOND PROTEIN ENERGY BALL

Our Almond Protein Energy Ball contains the optimum balance of high quality protein and carbohydrates. With its slow-releasing energy, it does just the job to help satisfy your hunger between meals. It's also fantastic pre or post-workout, or anytime you just want to grab something good.

- **12g protein**
- Gluten free
- Wheat free
- GM free
- Nothing artificial
- Suitable for vegetarians

CACAO MINT PROTEIN ENERGY BALL

Powered by organic cacao nibs, this ball is a real beauty. Perfectly crunchy on the outside and delightfully smooth on the inside, with just the right amount of refreshing mint.

A great choice after exercise, a sinless snack on the go - or just a delicious, healthy alternative when you're craving chocolate.

- 9g protein
- Gluten free
- GM free
- 3g fibre
- Nut-free ingredients
- Nothing artificial
- Suitable for vegetarians

PEANUT PROTEIN ENERGY BALL

The Peanut Protein Energy Ball contains 14g of high quality whey protein. With its slow-releasing energy, it'll keep you feeling fuller for longer and help you through a hectic day. A great pre or post-workout option.

- 14g protein
- Wheat free
- Gluten free
- GM free
- Nothing artificial
- Suitable for vegetarians

BERRY COCONUT ENERGY BALL

Gluten and dairy free, the Berry Coconut Energy Ball has been developed to meet the requirements of those with specific dietary needs. Combining cranberries, goji berries, raspberries and coconut, the flavours are a sumptuous mix that tantalise your taste buds.

- Suitable for vegans
- Gluten free
- Wheat free
- Dairy free
- GM free
- Nothing artificial

SPIRULINA GINSENG ENERGY BALL

Want an energy boost? The Spirulina Ginseng Energy Ball will, er, keep you on the ball. Combining superfoods spirulina and ginseng, it's power-packed with vitamins and antioxidants. It's easily digestible and provides slow-releasing energy to help you to feel great and perform at your best.

- Suitable for vegans
- Gluten free
- Dairy free
- GM free
- Cholesterol free
- Nothing artificial

APPLE CINNAMON PROTEIN ENERGY BALL

We have mixed the classic flavours of apple and cinnamon with cashews, seeds and protein to create a Canadian favourite that packs a protein punch. Great for a 3pm pick-me-up or post-workout.

- 8g protein
- Gluten free
- GM free
- No artificial additives
- 2g fibre
- Suitable for vegetarians

COCONUT LEMON PROTEIN ENERGY BALL

When life gives you lemons... you combine them with coconut, creamy cashews and whey protein. This ball tastes like sunshine on the cloudiest of days and will lift your spirits as well as your energy.

- 9g protein
- Gluten free
- Wheat free
- GM free
- Nothing artificial
- 6g fibre
- Suitable for vegetarians

CACAO ORANGE PROTEIN ENERGY BALL

This ball proves that orange really is the new black when it comes to healthy snacks. When you combine whey protein with cacao nibs, sunflower seeds and a dash of citrus sweetness, you get a wow factor that's hard to beat.

- 9g protein
- **Gluten free**
- Wheat free
- GM free
- Nothing artificial
- 3g fibre
- Suitable for vegetarians
