

ZODA®

- **ZODA®** is a delicious, healthy **carbonated functional beverage** sweetened with our patented plant-based supplement that **helps you manage your blood sugar levels**.
- The “**functional beverage**” segment is one of 2022’s Top product areas in the North American food & beverage grocery world. (* Sources: *WesternGrocer & Whole Foods*).
- **ZODA®**:
 - ✓ **Zero Sugar; Zero Calories; Zero Carbs.**
 - ✓ The great taste of a soda drink without the negative & undesirable health affects associated with sugar.
 - ✓ Flavored using **Glyvia™**: our patented **Plant-Based supplement** that provides a natural sweetness (like sugar but is **not sugar and not an artificial substitute**).
 - ✓ **All Natural.**
 - ✓ **Does not have the off-note aftertastes that sugar substitutes, comparatively, have.**
 - ✓ Product characteristics: Clean Refreshing flavor & sweetness; Soft Mouthfeel; Soft Carbonation (not aggressive); Clean Palate Finish.
 - ✓ **Vegan Friendly**
 - ✓ **Non-GMO**
 - ✓ **Health Canada evidence-based pharmacological review done on the merits of health benefits associated with** the maintenance, and even clearing, of blood sugar levels and even metabolizes blood sugar (benefits may include diabetes and cholesterol management and appetite suppression).
 - ✓ **Health Canada Natural Product Number (“NPN”): Granted.**
 - ✓ Current Flavours: Cola, Citrus Lime, Root Beer.
 - ✓ Packaging: 355 ML tall slim can; 4-packs; 24-can case.
- **The Functional Soda Company Ltd.** (“FSC”) is a Vancouver-based developer and manufacturer of natural, plant-based Ready-to-Drink (RTD) health management solutions based on its patented portfolio of nutraceutical science and discovery. FSC is in the rapidly growing **functional beverage market** under its ZODA® platform and brand bringing a superior taste experience to carbonated RTD consumers while providing **Health Canada** recognized **additive and pharmacologically-evidenced health benefits**. The Company is a pioneering beverage brand, offering a platform of nutraceutical-based products across Soda, Energy, Sport/Recovery/Wellness, Mixers, and other drink categories. All our Zero Cal/Carb/Sugar beverages are made with only a handful of plant-based ingredients, no preservatives and are Vegan friendly.
