## Press Release

*November 1, 2021*

We at iLevel Management Inc. are excited to let you know that Mariia Pryimachek has joined us as our new Office and Sales Data Administrator.

Mariia will be taking over the role from Akshay. We want to thank Akshay for his time at iLevel and wish him well on his journey.

Mariia Pryimachek has a Business Management diploma and has successfully reached established objectives in various projects related to marketing, business management, accounting, operations management, and professional selling during her studies. She is a competent customer service representative with years of experience working in a fast-paced environment. Mariia's organizational skills, as well as logical and analytical thinking are welcome as we know she will contribute to the iLevel's growth and success.

Please join us in welcoming Mariia to our team. If you have any questions, please let us know.

Mariia can be reached at:
