Press Release

November 22, 2021

iLevel Management Inc. is excited to let you know that Gary Davis has joined us as our National Accounts Manager.

Gary will be taking over the role from Christine Gammal. We want to thank Christine for her time at iLevel and wish her well.

Gary is a sales professional who thrives on challenge with lengthy experience in the Natural and Organic consumer package goods industry. He is a self-motivated team player who begins each task with the end result in mind.

Gary has called on all classes of Natural and Organic trade including Food, Drug, and Mass accounts with many bonafide established relationships with category managers. Beyond that Gary also is well acquainted with many Canadian distributors.

Gary was born and Raised in Montreal, a McGill University graduate with proficiency in French

Please join us in welcoming Gary to our team. If you have any questions, please let us know.
