

The MARPHYL Marine Phytoplankton Company Inc partners with iLevel Management Inc to expand the retail presence of its best seller Organic Liquid Soil Enhancer / Fertilizer

FOR IMMEDIATE RELEASE

Vancouver, BC, March 3rd 2022 – The MARPHYL Marine Phytoplankton Company Inc. is pleased to announce their partnership with iLevel Management, Inc. iLevel Management will be acting as sales broker to Natural Health Food stores, Mass Retail, Food Service and Drug Stores in Canada for MARPHYL Organic Liquid Soil Enhancer / Fertilizer / Plant food.

Since launching the brand in May 2017, our Organic Liquid Soil Enhancer quickly became a best seller online in Canada and abroad. We are very excited to join forces with iLevel Management in order to increase our market share in the retail sectors, from small independent stores to mass retail.

About MARPHYL Marine Phytoplankton (www.marphyl.com)

MARPHYL was founded by Arantza Montoya Amuchastegui & Benjamin Achache with the goal to bring Marine Phytoplankton products to market and make it available to everybody. Our Organic Soil Enhancer was an instant success with the grown interest in plants as well as food growing. We are a 100% sustainable company in our production, all our suppliers are local, and we give 1% of our sales to mission-blue which is an organization that protects Hope Spots in the ocean around the world. MARPHYL Organic Soil Enhancer is a best seller online and is present in countless independent plant stores across the country as well as grocery stores including Whole Food Market. It is also present in many international markets.

About iLevel Management Inc (www.ilevelmanagement.ca)

iLevel Management, Inc., opened its doors in 2013. Its core principles are centered on innovation, integration and invigoration of its brands and marketing strategies.
